What is Cub Scouts?

Scouting America's program for kindergarten through 5th grade. Your child joins a den of kids in their own grade, with a leader who plans everything, and spends the year building things, getting outside, and earning badges. The **Scout Oath and Law** and the motto, Do Your Best, run through all of it.

Dens by grade

Lion Kindergarten	Tiger 1st grade	Wolf 2nd grade
Bear 3rd grade	Webelos 4th grade	Arrow of Light 5th grade

Lions and Tigers (K–1) team up with a parent or other grown-up at meetings.

After 5th grade, Scouts cross over to **Troop 73**, our Scouts BSA family troop for boys and girls, and can keep going all the way to **Eagle Scout**.

Safe & welcoming

Every registered leader passes PA state clearances and a background check and completes **Youth Protection Training**. Two adults are always present. A child is never one-on-one with an adult.

Everyone belongs. Boys and girls of every background and ability belong in Pack 73.
